---

## CAREER OBJECTIVE

Seeking the position to utilize my skills and abilities in the Computer and Information Technology industry that offers professional growth while being resourceful, innovative and flexible.

---

## WORK EXPERIENCE

### Celebal Technologies, Jaipur-Remote

May-2023

ReactJS Intern

- During this internship, I had the opportunity to work as a ReactJS intern for a duration of two months. This immersive experience allowed me to apply my theoretical knowledge of ReactJS to real-world projects. I collaborated closely with the development team to design and implement responsive user interfaces, utilizing React components, state management, and modern JavaScript libraries.

### Tectona Soft Solutions

May-2022

Web Developer Intern

- During my internship, I had the opportunity to apply my knowledge of HTML, CSS, and JavaScript to create responsive and visually appealing websites. I assisted in implementing new features, optimizing existing code, and troubleshooting issues to ensure smooth functionality across different browsers and devices.
-
